When:  Tuesday, June 15, 2021 at 10am (Virtual Presentation - Click here to join the meeting)
       Wednesday, June 16, 2021 at 10am (Guided Site Walk)

Where:  Market Street Marine Terminal, 555 Market Street, Portsmouth, New Hampshire

Who:  Contractors (general and specialists) with appropriate experience with construction, repair, and/or renovation of large waterfront structures and suppliers of related equipment and materials.

What:  PDA-DPH invites contractors to receive updates and learn, ask questions, and provide feedback, both in a group and one-on-one setting, regarding the proposed projects located at the Market Street Marine Terminal in Portsmouth, New Hampshire.

BUILD Main Wharf Rehabilitation

Project Description:  Project rehabilitates 33,000 square feet of the existing docking structure and construction of 18,000 square feet of new dock structure decking over the open area between shore and the wharf.

Project Scope:  The project includes concrete removal and rehabilitation, installation of piles/stingers, concrete wharf construction, riprap, pile jackets, anodes, mooring hardware replacement, fender system repairs, and shoreside alterations including improvements.

Functional Replacement Barge Wharf

Project Description:  The project provides functional replacement of the Barge Wharf from the relocation of the bridge, including a Main Wharf extension of 13,000 square feet to the north and 8,500 square feet to the south. Shoreside regrading and Main Wharf fender system installation is also included.

Project Scope:  The work includes demolition, blasting and dredging, rock socketed piles, concrete wharf construction, fender system installation, shoreside excavation, and installation of drainage systems.

Estimated Construction Value:  $30-45 Million Total
Agenda:

Day 1 Virtual Presentation Agenda
10:00—10:05  Introductions
10:05—10:15  Opening Remarks
10:15—11:00  Technical Presentations
11:00—11:30  Acquisition Plan & Project Schedule
11:30—12:00  Closing and Response to Questions

Day 2 Guided Site Walk
10:00—11:00  Arrival & Sign In (coffee & doughnuts)
11:00—12:00  Guided Site Walk
12:00—1:00   Question & Answer Session (cookout-style lunch)

Contractor Breakout Sessions: Contractors are invited to participate in a one-on-one virtual meeting with PDA/Appledore Marine to provide feedback on the projects.

Comment Submission: Contractors are invited to submit questions and/or comments via email to Vanessa Swasey at vswasey@appledoremarine.com.

- The comment period will close on June 30, 2021.
- The virtual presentation conference will allow contractors to submit questions in real time that will be responded to at the close of the presentations.
- All comments and responses will be posted publicly on the PDA-DPH website.
