

**Owner's/Agent Letter of Authorization**

This letter is to authorize Tighe & Bond, Inc. (Civil Engineer), to represent and submit on behalf of Executive AirDock LLC (Applicant), applications and materials in all site design and permitting matters for the proposed project at Hampton Street & Aviation Avenue on the Pease International Tradeport in Portsmouth, New Hampshire. This project includes the construction four (4) hangars, and associated site and stormwater improvements. This authorization shall relate to those activities that are required for local, state and federal permitting for the above project and include any required signatures for those applications.
