Re: Right of Entry — North Apron, Portsmouth International Airport, Portsmouth, NH

Dear Paul:

This letter will grant to PROCON and/or its agents and contractors an extension of its Right of Entry (“ROE”) dated July 29, 2021, to enter the North Apron at Portsmouth International Airport, and the surrounding designated premises. This ROE is extended to January 31, 2022, for continued survey / site inspection purposes.

Please indicate by your signature below PROCON’s consent and return the same to me with updated evidence of insurance should there have been any changes to the policy or coverages since the ROE was finalized.

Very truly yours,

Paul E. Brean
Executive Director

Agreed and accepted this 28 day of December, 2021.

PROCON, LLC
